

Prétérit.

Yesterday I watched TV.	
Last month, she went <u>to</u> Paris.	
For lunch, they ate pizza.	
Last night, I played football.	
They didn't <u>watch</u> TV.	
She didn't <u>go</u> to Paris.	
I didn't <u>eat</u> pizza.	
You didn't <u>make</u> the cake.	
Did you go to Paris last year?	
Did she watch TV?	
Who cooked the chicken?	
What time did you wake up?
